PROFIT WARNING

This announcement is made by Bossini International Holdings Limited (the “Company”, together with its subsidiaries collectively known as the “Group”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “Board”) of the Company would like to inform the shareholders of the Company and potential investors that the Group is expected to record a loss attributable to owners ranging from approximately HK\$26 million to approximately HK\$32 million for the year ended 30 June 2018, as compared to the profit attributable to owners of HK\$5 million for the year ended 30 June 2017, mainly due to (1) loss on foreign exchange mainly attributable to the appreciation of Renminbi against Hong Kong dollar during the year and (2) the decrease in the profit derived from the export franchising business as a result of the continuously weak and competitive apparel retailing environment.

As the Company is still in the course of preparing and finalising its annual results for the year ended 30 June 2018, the information contained in this announcement is only based on a preliminary assessment made by the Board on the information currently available to it, including the consolidated management accounts of the Group for the year ended 30 June 2018 which have not yet been reviewed or audited by the Group’s auditor. It is scheduled that the audited annual results of the Group for the year ended 30 June 2018 will be announced in late September 2018.
