This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to the Shareholders for their consideration of the Share Buy-back Mandate. The Shares proposed to be bought back by the Company are fully paid-up.

LISTING RULES RELATING TO THE BUY BACK OF SHARES

The Listing Rules permit companies whose primary listing is on the SEHK to buy back their shares on the SEHK subject to certain restrictions. The Company is empowered by its memorandum of association and the Articles and the laws of the Cayman Islands (under which the Company is incorporated) to buy back its own Shares.

EXERCISE OF THE GENERAL MANDATE TO BUY BACK SHARES

The resolution set out as Resolution B in item 4 of the Notice of AGM will, if passed, give a general unconditional mandate to the Directors to buy back Shares on the SEHK representing up to 10% of the total number of Shares in issue at the date of the passing of such resolution at any time until the next annual general meeting of the Company or any earlier date as referred to in that Resolution (the “Relevant Period”). All buy-backs of Shares on the SEHK by the Company must be approved in advance by an ordinary resolution either by way of a general mandate or by specific approval in relation to specific transactions.

Accordingly, exercise in full of the Share Buy-back Mandate (on the basis of 11,019,072,390 Shares in issue as at the Latest Practicable Date) would result in up to 1,101,907,239 Shares being bought back by the Company during the Relevant Period.

REASONS FOR THE BUY-BACKS

The Directors believe that the flexibility afforded to them by the Share Buy-back Mandate would be in the best interests of the Company and Shareholders. Buy-backs pursuant to such mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the value of the Shares and/or earnings per Share and the liquidity of the Shares on the SEHK.

FUNDING OF BUY-BACKS

In buying back Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and the Articles and the laws of the Cayman Islands (under which the Company is incorporated). The Directors propose that any buy-back of Shares under the Share Buy-back Mandate would be financed by the capital paid up on the bought back Shares, the profits of the Company which would otherwise be available for dividend, the Company’s share premium account and/or its contributed surplus account.

IMPACT ON THE WORKING CAPITAL OR GEARING POSITION

If the Share Buy-back Mandate is exercised in full, there may be a material adverse effect on the working capital requirements of the Company or its gearing levels, as compared with the position disclosed in the Company's audited accounts for the year ended 31 December 2015 (the most recent published audited accounts). The Directors will consider the financial conditions of the Company prevailing at the time whenever they consider exercising the Share Buy-back Mandate and do not propose to exercise such mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company at the time of the relevant buy-backs unless the Directors determine that such buy-backs are, taking account of all relevant factors, in the best interests of the Company.

SHARE PRICES

The highest and lowest prices at which Shares were traded on the SEHK during each of the twelve months preceding the issue of this circular were as follows:

	Per Share	
	Highest HK\$	Lowest HK\$
2015		
April	0.225	0.172
May	0.255	0.195
June	0.245	0.193

February	0.168	0.151
March	0.167	0.158

EFFECT OF THE TAKEOVERS CODE

A Shareholder's proportionate interest in the voting rights of the Company will increase upon the Company exercising its power to buy back Shares pursuant to the Share Buy-back Mandate, and such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of his/her or their shareholding interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, based on information available to the Company, CPG, through its subsidiaries, which are regarded as parties acting in concert for the purposes of the Takeovers Code, held in aggregate 7,154,799,417 Shares, representing approximately 64.93% of the total number of Shares currently in issue. On the assumption that CPG and its subsidiaries do not acquire any further Shares or dispose of any Shares throughout and on the basis that no further Shares are issued or bought back prior to the AGM, and in the event that the Directors exercise in full the power to buy back Shares pursuant to the Share Buy-back Mandate following its approval at the AGM, the aggregate shareholding interest held by CPG and its subsidiaries would increase to approximately 72.15% of the issued share capital of the Company. In the opinion of the Directors, such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of Takeovers Code.

In the event that any exercise of the Share Buy-back Mandate would, to the Directors' knowledge, have such a consequence, the Directors would not exercise the Share Buy-back Mandate to such extent.

The Directors have no present intention to exercise the power to buy back Shares to the extent that the aggregate amount of the share capital of the Company in public hands would be reduced to less than 25%.

DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates presently intends to sell Shares to the Company in the event that the Share Buy-back Mandate is approved by Shareholders.

The Company has not been notified by any core connected person that he has a present intention to sell Shares to the Company or has undertaken not to sell Shares held by them to the Company in the event that the Share Buy-back Mandate is approved by Shareholders.

UNDERTAKING OF DIRECTORS

The Directors have issued an undertaking letter to the SEHK to undertake that they will exercise the power of the Company to make buy-backs pursuant to the Share Buy-back Mandate in accordance with the Listing Rules, the laws of the Cayman Islands (under which the Company is incorporated) and the memorandum of association of the Company and the Articles.

SHARE BUY-BACKS MADE BY THE COMPANY

The Company has not bought back any Shares whether on the SEHK or otherwise in the six months preceding the Latest Practicable Date.
