PARTNER COMMUNICATIONS ANNOUNCES DISMISSAL OF A PURPORTED CLASS ACTION FILED AGAINST THE COMPANY

ROSH HA'AYIN, Israel, July 8, 2008 - Partner Communications Company Ltd. ("Partner") (NASDAQ and TASE: PTNR), a leading Israeli mobile communications operator, announced that on July 2, 2008, following an agreed upon request of the plaintiffs to withdraw their claim, a claim that was filed with the District Court of Jerusalem on September 20, 2007 against Partner and against two other cellular operators in Israel (the "Defendants"), was dismissed with prejudice, and a request for the certification of the claim as a class action was dismissed without prejudice. .

The claim alleged that the Defendants (i) charged subscribers for SMS messages sent to certain intended recipients who cannot receive such messages, and (ii) misled subscribers who sent such messages by network notification that the messages had been sent.

The Defendants agreed, without prejudice, to maintain a high level of service, in cases of failure of receipt of a message by an intended recipient, by: (i) not charging for such messages, and (ii) providing a network notification of such failure. Further, the Defendants agreed to refund its subscribers who had been charged for such sent but unreceived messages.

Had the lawsuit been certified as a class action, the total amount claimed from the Defendants was estimated by the plaintiffs to be approximately NIS 182 million (for all Defendants together). The refund agreed per above was an insubstantial amount.

For additional details see note 7(8) to our Financial Statements included in our Annual Report on Form 20-F for the year ended December 31, 2007.

About Partner Communications

Partner Communications Company Ltd. ("Partner") is a leading Israeli mobile communications operator providing GSM / GPRS / UMTS / HSDPA services and wire free applications under the orange™ brand.
