1. SUMMARY OF FINANCIAL INFORMATION

Financial information of the Company for the three years ended 31 March 2015, 2016 and 2017 is set out in the annual reports of the Company for the three years ended 31 March 2015 (pages 31 to 89), 31 March 2016 (pages 31 to 97) and 31 March 2017 (pages 38 to 106) respectively. The annual reports of the Company are available on the website of the stock Exchange (www.hkexnews.hk) and on the website of the Company (www.z-obe.net).

2. STATEMENT OF INDEBTEDNESS

At the close of business on 30 September 2017, being the latest practicable date for ascertaining this information prior to the printing of this Prospectus, the Restructured Group had aggregate outstanding borrowings of approximately HK\$648 million which comprised:

- (i) interest bearing bank borrowing of approximately HK\$306 million;
- (ii) trust receipt loan of approximately HK\$310 million;
- (iii) other borrowings of approximately HK\$21 million, which are secured by a floating charge and the share charge over the entire issued share-capital of a subsidiary, HK Rich, bearing fixed interest at 2% per annum; and
- (iv) amount due to investors – escrow account of approximately HK\$11 million, which is unsecured, interest free and the amount will be deducted by the receipt from Share Subscriptions.

Contingent liabilities

As at 30 September 2017, to the best knowledge of, and information available to the Directors and the Provisional Liquidators, there are contingent liabilities in the sum of approximately HK\$33 million (with additional interests where applicable). The Company subsequently received a notice of claim from this creditor and the Provisional Liquidators are currently reviewing the claims. It should be noted that the contingent liabilities/claims against the Company may be subject to the Bermuda Court's approval and the relevant claims will be subject to a formal adjudication process. This potential claim, if crystallises, will be treated as an unsecured claim. If such claim is admitted under the Schemes, this creditor will participate in the distribution of the Scheme Cash Consideration in accordance with the terms of the Schemes.

Save as aforesaid and apart from normal trade payables in the ordinary course of business, other payables and accruals, none of the entities of the Group had any debt securities which are issued and outstanding, or authorised or otherwise created but unissued term loans, other borrowings or indebtedness including bank overdrafts loans or other similar indebtedness liabilities under acceptances (other than normal trade bills) acceptance credits or hire purchase commitments, mortgage, charges, activities or other material contingent liabilities as at the close of business on 30 September 2017.

Potential Litigation

Prior to the Company went into provisional liquidation, one of the Company's subsidiaries (the "**Subsidiary**") entered into a receivables purchase agreement with a financial institution in Hong Kong and the Subsidiary has assigned the outstanding debts of approximately US\$46 million owed by its customer to the financial institution (the "**Customer**").

Subsequently, there were disputes over the outstanding debts owed by the Customer as the Customer claimed that it had cancelled its purchase orders with the Subsidiary. Hence, the Customer alleged that there was no outstanding payment due (the "**Dispute**").

The Provisional Liquidators subsequently received an arbitration notice from the Shenzhen Court of International Arbitration (the "**SCIA**") in respect of the Dispute (the "**Notice**"). It is stated on the Notice that the Customer initiated an arbitration request at the SCIA regarding the Dispute and would like the Provisional Liquidators to attend to the requests on behalf of the Subsidiary.

The Provisional Liquidators have since then engaged a legal advisor in the PRC to advise on the arbitration. As of the Latest Practicable Date, a court hearing was held on 1 November 2017. It is noted that further evidences are required to be submitted to the SCIA before the SCIA can make an assessment on the case and hand down an award. In the event that the SCIA hands down an award in favour of the Customer, certain court fees (in addition to the legal fees) will be payable by the Subsidiary (instead of the Company) but the quantum is yet to be determined. The disputed amount of approximately US\$46 million which was assigned to a financial institution by the Subsidiary which has the benefit of a guarantee granted by the Company. The potential claim of the financial institution under the guarantee is currently treated as a potential claim and, if it crystallises, as an unsecured claim. If such claim is admitted under the Schemes, the financial institution will participate in the distribution of the Scheme Cash Consideration in accordance with the terms of the Schemes. Any claim under the guarantee (if admitted) would be subject to adjustments in accordance with the terms of the Schemes. Thus, in the event that the SCIA hands down an award in favour of the financial institution and the financial institution's claim under the guarantee may be adjusted under the terms of the Schemes in a corresponding amount.

3. WORKING CAPITAL

The Provisional Liquidators, after due and careful enquiry, are of the opinion that in the absence of unforeseen circumstances, subject to completion of the Open Offer, the Share Subscriptions and the Schemes, and taking into account the financial resources available to the Group, the Group has sufficient working capital for its normal business for at least twelve months from the date of this Prospectus.

4. MATERIAL ADVERSE CHANGE

As at the Latest Practicable Date, the Provisional Liquidators confirm that there has been no material adverse change in the financial or trading position or outlook of the Group since 31 March 2017, the date to which the latest published audited financial statements of the Company were made up.

5. FINANCIAL AND TRADING PROSPECTS

The Group is a comprehensive mobile handset solution provider, with a particular focus on design, development, customisation and technological collaboration. The Operating Subsidiaries are principally engaged in the provision of mobile handset designs and production solution services and marketing and distribution of mobile handsets and their components. The Group's business and business plan are in line with its pre-existing principal activities.

Trading prospects

The Group has a wide range of models including feature phones and smart phones with different price levels targeting different market segments. While the Group targets an organic growth in purchase orders from its existing customers, the Group will also try to secure new customers.

Upon Resumption, the Group will continue to focus on the South Asian region and Dubai, which the Company believes to have a massive growth potential.

The Group will continue to secure purchase orders from its existing customers and attract new customers by participating in trade shows, and by on-going technological collaboration with customers and suppliers, which contributed to the overall increase of the Company's revenue.

Joint Venture with Tongfang

Pursuant to the joint venture with Tongfang, Perfect Major has appointed Tongfang and its group companies for the research and development of mobile communication devices which are suitable for the Indian market. In return, Tongfang and its group companies have appointed Perfect Major to sell certain mobile devices developed by Tongfang in markets located in India and the South Asian regions.

As at the Latest Practicable Date, Tongfang and its group companies have already begun to initiate preliminary research on product development. On the other hand, the Company has undertaken market research and is in the process of establishing reliable distribution networks for Tongfang's products in Pakistan, India and Bangladesh. The New Management Team expects the joint venture with Tongfang to provide meaningful contributions to the Company's business in 2018.

Market Development Business

The Company has entered into a service agreement with a PRC listed company for market development services. By leveraging the Group's know-how in the South Asia market, in particular India, the New Management Team expects that further income will be generated from this revenue stream.

Financial prospects

Upon completion of (i) the Share Subscriptions; (ii) the Open Offer; (iii) the Schemes; (iv) the payment for costs associated with the Proposed Restructuring; (v) the settlement of the costs associated with the delisting from the SGX-ST; and (vi) the repayment of amounts outstanding under the Working Capital Loan Agreement, the Group will have a net proceeds of approximately HK\$50 million to HK\$60 million as general working capital.

The Group will actively seek investment opportunities to expand the Company's tangible assets after the Resumption, including but not limited to vertical acquisition of production facilities, warehouses and office premises.

*To the Board of Directors and Provisional Liquidators of
Z-Obee Holdings Limited (Provisional Liquidators Appointed)*

6 November 2017

Dear Sirs,

We have completed our assurance engagement to report on the compilation of pro forma financial information of Z-Obee Holdings Limited (Provisional Liquidators Appointed) (the “Company”) and its subsidiaries (collectively the “Group”) by the directors and Provisional Liquidators for illustrative purposes only. The pro forma financial information consists of the unaudited pro forma consolidated statement of financial position of the Group as at 31 March 2017, unaudited consolidated statement of profit or loss and unaudited pro forma consolidated statements of cash flows of the Group for the year ended 31 March 2017 and related notes as set out on pages II-2 to II-6 of the prospectus issued by the Company dated 6 November 2017 (the “Prospectus”). The applicable criteria on the basis of which the directors of the Company (the “Director(s)”) and Provisional Liquidators have compiled the pro forma financial information are described in page II-1 of the Prospectus.

The pro forma financial information has been compiled by the Directors and Provisional Liquidators to illustrate the impact of the Group’s financial position as at 31 March 2017 and the Group’s financial performance and cash flows for the year ended 31 March 2017 as if the restructuring had taken place at 31 March 2017. As part of this process, information about the Group’s financial position and financial performance has been extracted by the Directors and Provisional Liquidators from the Group’s financial statements for the year ended 31 March 2017, on which a disclaimer audit report has been published. The consolidated statements of cash flow were prepared by the Directors and Provisional Liquidation for illustrative purpose only.

As per the financial statements for the year ended 31 March 2017, the consolidated financial statements of the Group had been prepared by the Directors based on incomplete books and records and the Directors believed that it was almost impossible and not practical to ascertain the correct amounts. Consequently, the Directors of the Company were unable to represent that the financial statements comply with IFRSs, or the disclosure requirements of the Hong Kong Companies Ordinance and the Rules Governing the Listing of Securities of The Stock Exchange of Hong Kong Limited, including the omission of a consolidated statement of cash flow.

Directors' and Provisional Liquidators' Responsibility for the Pro Forma Financial Information

The Directors and Provisional Liquidators are responsible for compiling the pro forma financial information in accordance with paragraph 4.29 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Listing Rules") and with reference to AG 7 *Preparation of Pro Forma Financial Information for Inclusion in Investment Circulars* issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA").

Our Independence and Quality Control

We have complied with the independence and other ethical requirements of the Code of Ethics for Professional Accountants issued by the HKICPA, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behavior.

The firm applies Hong Kong Standard on Quality Control 1 "Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements" and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Reporting Accountant's Responsibilities

Our responsibility is to express an opinion, as required by paragraph 4.29(7) of the Listing Rules, on the pro forma financial information and to report our opinion to you. We do not accept any responsibility for any reports previously given by us on any financial information used in the compilation of the pro forma financial information beyond that owed to those to whom those reports were addressed by us at the dates of their issue.

We conducted our engagement in accordance with Hong Kong Standard on Assurance Engagements (HKSAE) 3420, *Assurance Engagements to Report on the Compilation of Pro Forma Financial Information Included in a Prospectus*, issued by the HKICPA. This standard requires that the reporting accountant comply with ethical requirements and plan and perform procedures to obtain reasonable assurance about whether the directors have compiled the pro forma financial information in accordance with paragraph 4.29 of the Listing Rules and with reference to AG 7 *Preparation of Pro Forma Financial Information for Inclusion in Investment Circulars* issued by the HKICPA.

For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the pro forma financial information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the pro forma financial information.

The purpose of pro forma financial information included in the Prospectus is solely to illustrate the impact of a significant event or transaction on unadjusted financial information of the Group as if the event had occurred or the transaction had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the event or transaction at 31 March 2017 would have been as presented.

A reasonable assurance engagement to report on whether the pro forma financial information has been properly compiled on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used by the Directors in the compilation of the pro forma financial information provide a reasonable basis for presenting the significant effects directly attributable to the event or transaction, and to obtain sufficient appropriate evidence about whether:

- The related pro forma adjustments give appropriate effect to those criteria; and
- The pro forma financial information reflects the proper application of those adjustments to the unadjusted financial information.

The procedures selected depend on the reporting accountant's judgment, having regard to the reporting accountant's understanding of the nature of the Group, the event or transaction in respect of which the pro forma financial information has been compiled, and other relevant engagement circumstances.

The engagement also involves evaluating the overall presentation of the pro forma financial information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion:

- (a) the pro forma financial information has been properly compiled on the basis stated;
- (b) such basis is consistent with the accounting policies of the Group; and
- (c) the adjustments are appropriate for the purposes of the pro forma financial information as disclosed pursuant to paragraph 4.29(1) of the Listing Rules.

Yours faithfully,

For and on behalf of

Crowe Horwath (HK) CPA Limited

Alvin Yeung

10. POTENTIAL CLAIMS AND LITIGATIONS

(i) Potential litigations

Prior to the Company going into provisional liquidation, one of the Company's subsidiaries (the "**Subsidiary**") entered into a receivables purchase agreement with a financial institution in Hong Kong and the Subsidiary assigned the outstanding debts of approximately US\$46 million owed by its customer to the financial institution (the "**Customer**").

Subsequently, there were disputes over the outstanding debts owed by the Customer as the customer claimed that it had cancelled its purchase orders with the Subsidiary. Hence, the Customer alleged that there was no outstanding payment due (the "**Dispute**").

The Provisional Liquidators subsequently received an arbitration notice from the Shenzhen Court of International Arbitration (the "**SCIA**") in respect of the Dispute (the "**Notice**"). It is stated on the Notice that the customer initiated an arbitration request at the SCIA regarding the Dispute and would like the Provisional Liquidators to attend to the requests on behalf of the Subsidiary.

The Provisional Liquidators have since then engaged a legal advisor in the PRC to advise on the arbitration. As of the Latest Practicable Date, a court hearing was held on 1 November 2017. It is noted that further evidences are required to be submitted to the SCIA before the SCIA can make an assessment on the case and hand down an award. In the event that the SCIA hands down an award in favour of the Customer, certain court fees (in addition to the legal fees) will be payable by the Subsidiary (instead of the Company) but the quantum is yet to be determined. The disputed amount of approximately US\$46 million which was assigned to a financial institution by the Subsidiary has the benefit of a guarantee granted by the Company. The potential claim of the financial institution under the guarantee is currently treated as a potential claim and, if it crystallises, as an unsecured claim. If such claim is admitted under the Schemes, the financial institution will participate in the distribution of the Scheme Cash Consideration in accordance with the terms of the Schemes. Any claim under the guarantee (if admitted) would be subject to adjustments in accordance with the terms of the Schemes. Thus, in the event that the SCIA hands down an award in favour of the financial institution, the financial institution's claim under the guarantee may be adjusted under the terms of the Schemes in a corresponding amount.

(ii) Contingent liabilities

As at 30 September 2017, to the best knowledge of, and information available to the Directors and the Provisional Liquidators, there are contingent liabilities in the sum of approximately HK\$33 million (with additional interests where applicable). The Company subsequently received a notice of claim from this creditor and the Provisional Liquidators are currently reviewing the claims. It should be noted that the contingent liabilities/claims against the Company may be subject to the Bermuda Court's approval and the relevant claims will be subject to a formal adjudication process. This potential claim, if crystallises, will be treated as an unsecured claim. If such claim is admitted under the Schemes, this creditor will participate in the distribution of the Scheme Cash Consideration in accordance with the terms of the Schemes.

Save as aforesaid and apart from normal trade payables in the ordinary course of business, other payables and accruals, none of the entities of the Group had any debt securities which are issued and outstanding, or authorised or otherwise created but unissued term loans, other borrowings or indebtedness including bank overdrafts loans or other similar indebtedness liabilities under acceptances (other than normal trade bills) acceptance credits or hire purchase commitments, mortgage, charges, activities or other material contingent liabilities as at the close of business on 30 September 2017.
