\* The Company carries its investments (specifically financial assets) at fair value in accordance with the Hong Kong Financial Reporting Standards. The Company selects appropriate valuation techniques for investments not quoted in an active market. Valuation techniques commonly used by market practitioners are applied, and an independent valuer has been participating in the valuation of certain investments. The values assigned to the investments are estimated with the best information available to the Company.

Note: Reference is made to the Company's announcement dated 29 September 2014 in relation to NTong Technology Co., Ltd. ("NTong"). Although NTong continues its operations, there may discover some other situations that could adversely affect NTong during the course of self financial examination. The Company thus considers that the fair value of its interest in NTong should be reduced to zero until NTong completes its self financial examination and can provide reliable information for value assessment.
